## Conclusion

The glass product, trade mark: Allplast Seculam, type: Seculam P6B, configuration: 3mm glass – 3mm polycarbonate – 3mm glass, manufacturer: Allplast BV, meets the applicable requirements as stated in the European standard EN 356 [1] for a class: EN 356 P6B.

The test results exclusively relate to the tested objects.

### **Remark 1**

When and if changes are made in production method and/or equipment, assessment according to this standard shall be reconsidered and re-tests shall be performed when the changes can lead to different specifications of the glass. The decision and responsibility lies at the manufacturer.

### **Remark 2**

If no reference of the product description was supplied by the manufacturer, than that document shall be added to this test report by the manufacturer. It was to the manufacturer's responsibility that the samples delivered for initial type test are representative to the production and deviations from perfection were included in the delivered test samples.
